

Coordinated bathroom accessories

Accessories are a quick and cost-effective way to give your bathroom a mini makeover. **Master Distributors** have released a range of bathroom accessories from **Wenko®**, a premium European brand now available from **Howards Storage World**. The **Structure** design items are priced from \$24.95 in classic white; while the **Retoro** design in stainless steel is also priced from \$24.95 in black/chrome or white/chrome.

Bathroom furniture combination

The latest **Cibo Eco** wall-hung vanity unit offers a minimalist look. **Bamboo** has been selected for the surround of this streamlined vanity. Complementing this is a large storage drawer incorporating moisture-resistant **Laminex®**. Both the bamboo surround and the **Laminex®** panel have been finished using water-borne two-component polyurethane matte finishing spray, which is formaldehyde-free. The vanity unit is perfectly matched with the **Cibo Eco** shelf mirror. Available from **Reece Plumbing Centres**.

Modern cast iron bath

The **Reve** cast iron freestanding bath (\$3999) from **Kohler**, 1700mm x 800mm, is a clever mix of traditional metal casting techniques and minimalist styling, offering a deep bathing experience for modern bathrooms. It offers geometric lines, a wider back ledge for storage of bath-products and an elevated plinth. Its hand-applied enamelling process ensures that the surface will not chip or crack. This enamel surface is especially thick, with a lustrous deep finish that is smooth on your skin, slip-resistant and timeless in its appeal. It is available from **Tradelink** stores and **Mico Design**.

Slim style mixers

Caroma has launched its new **Slim** range of mixers with European design and manufacturing, featuring a special ultra-slim 28mm cartridge on the basin mixers. Available as a basin mixer and bath/shower mixer with or without diverter this 5-stars **WELS** rated range is ideal for modern bathrooms. Constructed from solid brass with a bright chrome finish these mixers are built to last.

The evolving bathtub

Italian firm **Zucchetti** have developed a new entry into the baths category with their new **KOS Morphing Bath** collection. Employing a blend of traditional and contemporary aesthetics and new materials, the **Morphing** collection is a statement piece for the "wow" bathroom. Set on little legs that evoke the look of the traditional claw-foot, this bath has a rectangular shape with a subtle flare at one end, both for comfort and style. The collection includes classic white as well as models with red or black exteriors and white interiors. It is best paired with a freestanding tap. Available from **Candana Designs**.

Elegant basin

Understated elegance is one of the elements in renovating a bathroom that will stand the test of time. The latest collection from **Duravit** includes a range of wall- and basin-panels from their **Happy D** range. Featuring a simple yet distinct basin design, crafted from vitreous china and complemented by brass stems finished in beautiful silver chrome, the **Happy D** is both versatile and chic. The title takes its cue from the "D" shape, which is the signature design element that flows through this collection. These wall-basins and consoles come in a range of sizes with prices starting at \$650. Available from bathroom specialists, including **Christiaan's** in Brisbane.
