

HANDY STUFF

Make life worry-free with these DIY solutions for staying safe and sound around the home and garden

WORDS ASHLEIGH PERRIOTT

Take it easy when working in the garden with tools designed for your safety.

Spout it out

Get better control of your garden with the Holi Eight Pattern Watering Can.

Use the flow-control knob on the back of the garden can to select from eight spray patterns.

The ergonomic handle has a long trigger with a self-closing action that stops the flow of water when it is released.

It also includes a non-slip rubber grip for ease of use.

Kneel easy

Give your knees a break with the Standard Ezykneel, \$19. The soft padded kneeling platform cushions your knees during extended periods of gardening.

The lightweight device is easy to move, while moulded grips and a steel frame make getting up again painless.
